ACKNOWLEDGEMENT

I am grateful to **The Director, National Aerospace Laboratories (NAL), Bangalore** for providing an opportunity to carry out this project work. I express my deep sense of gratitude to **Dr. S. Ramamurthy, Head (Retd.)**, Propulsion Division, NAL for his constant encouragement and persevering efforts in guiding me throughout the project work. My sincere thanks to **Sri. K. Mirthunjaya Swamy, Head (Retd.)**, Propulsion Division, for granting me the permission to undertake project work in Propulsion Division.

I am highly indebted to **Sri Jayaraman. M, Head**, Propulsion Division and **Head, KTMD**, NAL for kind co-operation, encouragement and kindly help in successful completion of the project.

My heartfelt thanks and gratitude to my internal guide **Sri K. Manikavasagam Pillai, Scientist**, Propulsion division, NAL for his invaluable, precious support and guidance.

I take this opportunity to express my gratitude to my respected reporting officer **Dr. S. Jana, Scientist**, Propulsion division, NAL for his kind support.

I am profoundly thankful to **Sri. Parthasarathy Vasan, MIE**, The Institution of Engineers (INDIA), for extending his guidance and support for successful completion of the project.

My sincere thanks to **Dr. K. Gopalakrishnan, FIE, Chairman**, Karnataka State Centre, The Institution of Engineers (INDIA) for encouragement and kindly help during my project tenure.

I would also like to express my sincere thanks to **Sri. M. N. Varadarajan, Scientist** and **staffs** of Propulsion workshop, NAL for extended support.

My heartfelt thanks and gratitude to **Sri. Ramesh Rajakumer, Scientist**, NTAF, NAL for his extended support.

My heartfelt thanks and gratitude to my parents and **Miss. S. Srimathi, TTA**, BSNL, for their extended support.
